GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution No. P. 52.

Bombay Castle, 27th April 1932.

Read reports from the Commissioner in Sind, the Commissioners, Northern Division, Central Division and Southern Division, and the Collector, Bombay Suburban District, on the administration of Local Boards in their respective charges during the year 1930-31.

RESOLUTION.—The number of Boards remained unchanged.

2. *Area and population.*—The area of 27·1 square miles, previously erroneously included in the Upper Sind Frontier District, has now been deducted from it. In the statements attached to this Review the provisional figures from the 1931 census are used in the case of the Central and Southern Divisions and the Bombay Suburban District. Elsewhere the 1921 Census figures are used.

3. *Constitution.*—The District Local Board, Sholapur, was reconstituted after the termination of its supersession on a special basis under section 7 of the Bombay Local Boards Act for one year from 15th December 1930 with 18 members, eight elected and ten nominated.

4. *Elections.*—In Sind and the Southern Division no triennial elections were held. The results of the triennial elections held in the other Divisions and the Bombay Suburban District are shown in the accompanying Appendix A. Satisfactory interest was taken in the elections in the Broach District and parts of the Thana District, but elsewhere in the Northern Division there was no enthusiasm. In a large number of constituencies in all districts of the Central Division the elections were uncontested. One cause of this was the absence of valid nominations as a result of the new rule 6-A, requiring the appointment of an election agent. This rule appears to be too advanced and its amendment is in contemplation. It is reported that where there were contests the elections were conducted largely on personal or communal lines and questions of administration played only a minor part.

5. *Meetings.*—In the Central Division, the District Local Board, East Khandesh, and the Taluka Local Boards, Chalisgaon, Satara, Walwa, Wai, Koregaon, Man, Khatav, Tasgaon, Malsiras and Barsi, and in the Southern Division, the Taluka Local Boards, Karajgi, Ranebennur, Shiggaon, Hangal, Gadag and Navalgund failed to comply with the provisions of section 35 (1) of the Act, regarding quarterly meetings.

6. *Income.*—The aggregate income of the Boards (excluding opening balance and debt) increased from Rs. 2,02,67,536 to Rs. 2,04,00,814. The principal variations under the main sources of revenue are explained below :—

(*a*) *Local Rates.*—The receipts decreased from Rs. 50,49,430 to Rs. 50,42,264. The decrease occurred in the Northern, Central and Southern Divisions. In the Northern Division it was due to (*a*) the refund of the cess recovered from talukdars in the Ahmedabad District on the assessment instead of on the *jama* for 3 years, (*b*) adjustment against an excess assignment of local fund cess in the previous year in the Broach District, and (*c*) non-payment of local fund cess owing to the no-tax movement in the Surat District. In the Bombay Suburban District there was an increase owing to the recovery of arrears. In Sind there was an increase owing to (*a*) good crops in the Karachi and Upper Sind Frontier Districts, (*b*) the inclusion of the educational share

in the accounts of the Hyderabad District Local Boards, (*c*) enhancement of rate of cess in the Larkana District, and (*d*) recovery of arrears of cess suspended in the preceding year in the Nawabshah and Thar Parkar Districts.

(*b*) *Education.*—The receipts rose from Rs. 1,02,95,752 to Rs. 1,05,39,577. Sind and the Northern and the Central Divisions show an increase due, in Sind, to the credit of the amounts pertaining to the primary education fund in the accounts of the District Local Boards and enhanced Government grants and, in the Northern Division, to enhanced Government grants. Decreases in the Southern Division and the Bombay Suburban District were due to the reduction in Government grants and contributions.

(*c*) *Medical.*—The receipts decreased from Rs. 3,16,360 to Rs. 2,78,434. The decrease occurred in Sind, the Southern Division and the Bombay Suburban District.

(*d*) *Civil Works.*—The receipts decreased from Rs. 29,94,036 to Rs. 27,22,918. All the Divisions except Sind report a decrease due to the reduction in Government grants for roads and water supply, and diminished receipts from tolls and ferries. In Sind and the Bombay Suburban District there was an increase owing to a larger Government grant for local works and better contributions from the public.

(*e*) *Police.*—A decrease in receipts from Rs. 5,04,198 to Rs. 3,88,212 was shared by all the Divisions. In Sind it was due to smaller receipts from fines owing to floods, economic depression, abundance of fodder and misappropriations by pound munshis, and in the Northern and Central Divisions to smaller receipts from cattle pounds as a result of the political unrest.

7. *Expenditure.*—The aggregate expenditure of the boards chargeable to current income increased from Rs. 1,98,91,284 to Rs. 2,07,04,602. The principal variations were :—

(*a*) *Administration.*—The expenditure increased from Rs. 7,54,368 to Rs. 7,73,857. The increase occurred in the Northern, Central and Southern Divisions, and the Bombay Suburban District, and was mainly due to increased staff, increments and acting allowances. In Sind there was a decrease due to vacancies, reduction in contingent expenditure and smaller expenditure on travelling allowance.

(*b*) *Education.*—The expenditure increased from Rs. 1,16,33,100 to Rs. 1,22,35,472.

(*c*) *Medical.*—The expenditure rose from Rs. 12,58,870 to Rs. 12,79,098. The increase was due to increased expenditure on combating epidemics and the opening of new dispensaries.

(*d*) *Civil Works.*—The expenditure rose from Rs. 50,54,589 to Rs. 52,50,584. There was an increase in Sind and the Central and Southern Divisions and a decrease in the Bombay Suburban District and the Northern Division.

8. *Closing balances.*—The aggregate closing balances of all the Boards amounted to Rs. 51,12,048 as against Rs. 45,96,577 in the previous year. The closing balances of most of the Boards were in excess of the prescribed minima of 1/10th of the estimated annual expenditure. Poona, Nasik and Sholapur were exceptions. In the Central Division generally balances were reasonable. The reasons for the increase are reported to be, in Sind, the failure to complete works to schedule and the reservation of funds for new office buildings, and in the Northern and Southern Divisions, also to failure to complete works and to the late receipt of local fund cess and Government grants. But as the Commissioner, Southern Division, remarks, the true reason is poor budgetting, and Government are constrained to point out to the boards the obvious fact that they are sacrificing considerable revenue by their failure to invest surplus funds and to insist upon careful budgetting.

9. *Primary Education.*—In the Bombay Suburban District, one aided and three unaided primary schools, and in the Central Division, 5 new schools in the Ahmednagar District and 7 in Satara District were opened

during the year. Government note with satisfaction that the Ahmednagar School Board has done well under its present Administrative Officer. The East Khandesh School Board is, however, reported to be working unsatisfactorily and the unfortunate fact that thousands of rupees have been spent on large school buildings at Chopda and Pimpalgaon (Pachora Taluka), which have not been roofed, should be brought to the attention of the Director of Public Instruction, so that Government may consider whether any action on their part is called for. It is unfortunate that in the East and West Khandesh Districts the number of pupils decreased by 1,347 and 1,025, respectively and that this decrease occurred chiefly among pupils from the intermediate and backward classes, but Government agree with the local officers that the action which the West Khandesh Board has taken to induce Bhil boys to go to school by giving liberal scholarships is worthy of great praise.

As regards the working of the present system of control of primary education the remarks of Mr. Gordon confirm the general opinion that it is urgently in need of improvement. He states, as regards the Nasik Board—

> " It is difficult to know what is the real progress of education under the School Board. My own impression is that under the present system of (lack of) popular control, discipline has been relaxed, intrigues among masters set up and a general decay in efficiency has resulted. The energies of the staff are directed rather to satisfying the whims of their non-official lords and masters rather than to forwarding the cause of education."

As regards the Northern Division, the Ahmedabad and Kaira Boards are the only Boards in the Presidency which have not yet taken over the control of primary schools under the Primary Education Act. In the Surat District one new school building was completed and 14 new school buildings were under construction under the Sir Purshottamdas Thakordas building scheme. In the Panch Mahals primary education has scarcely touched yet for the Bhils and Naikdas. In Sind English teaching classes were opened during the year in two more places in the Hyderabad District, two in the Sukkur District and one in the Larkana District. Government note with special pleasure the opening of two new girls' schools in the Sukkur District, one in the Hyderabad District and one in the Larkana District.

As regards the Southern Division, in Belgaum and Ratnagiri 7 and 17 new schools were opened. The District Local Board, Kolaba, pays out of its funds Rs. 10,000 annually for the maintenance of new schools without claiming additional subsidy from Government.

10. *Medical and Public Health.*—The Bombay Suburban District with its five local board dispensaries is in an enviable position. It owes much to its public spirited citizens.

In the Central Division, there were epidemics of cholera in Ahmednagar, East and West Khandesh and Satara, of small-pox in Ahmednagar, East and West Khandesh, Nasik and Satara and of plague in Satara. Prompt measures were taken by the Boards concerned to combat the epidemics. The District Local Boards of West Khandesh, Nasik, Poona and Satara maintained 4, 9, 5 and 5 allopathic dispensaries, respectively. The number of Ayurvedic dispensaries maintained by the District Local Boards of Ahmednagar and East Khandesh increased from 7 and 18 to 8 and 20, respectively, whilst the number of such dispensaries maintained by other District Local Boards remained the same as in the preceding year. These are reported to be generally popular. The East Khandesh District Local Board also opened a third Unani dispensary in addition to the two opened by it during the previous year.

In the Northern Division, in addition to the grant-in-aid dispensaries maintained by the boards, ten Ayurvedic dispensaries were opened by the Ahmedabad Board. Twelve Ayurvedic dispensaries were also opened by villages in the Kaira District and aided by grants from the Kaira Board. In the Panch Mahals District cholera broke out, but it was promptly checked by timely action of the Board.

In Sind, malaria prevailed in the Karachi, Larkana, Sukkur and Upper Sind Frontier Districts. The boards concerned took timely action in every case. Cholera also occurred in the Sukkur District where a special staff was appointed. The number of maternity homes in the Larkana District rose from 3 to 4.

In the Southern Division plague and cholera broke out in parts of Belgaum, Dharwar and Kanara and prompt measures were taken by the boards concerned. The District Local Board, Kolaba, opened two Ayurvedic and one allopathic dispensary. The Board also subsidised eight qualified private practitioners to render medical aid in rural tracts.

11. *Veterinary Dispensaries.*—The Bombay Suburban District still has no veterinary dispensary.

12. *Civil Works.*—The following table shows the Government grants paid to the boards and the amounts spent by them from the Government grants and their own funds on local public works :—

	Total amount of Government grant.	Amount spent from Government grants and unspent Government grants of previous years.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Bombay Suburban District...	48,932	48,932	26,882
Central Division ...	4,43,580	4,37,997	4,18,370
Northern Division ...	3,31,500	3,21,000	2,13,071
Sind	3,40,500	2,80,502	2,87,282
Southern Division ...	3,04,375	*	*

*The Commissioner has given the total expenditure (viz. Rs. 7,57,227) but not the separate figures of expenditure from Government grants and local funds.

The boards generally show a proper interest in the condition of roads in their areas, but are, of course, greatly handicapped by inadequate funds. In Sind the contributions made by the boards towards road works were on a small scale.

13. *Village Water Supply.*—The following table shows the Government grants to the boards and the amounts spent by them from the Government grants and their own funds for the improvement of village water supply :—

	Total amount of Government grant.	Amount spent from Government grants and unspent Government grants of previous year.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Bombay Suburban District...	3,000	3,000	7,092
Central Division ...	34,000	48,864	80,585
Northern Division ...	59,913	46,642	2,31,330
Sind	36,000	16,486	14,931
Southern Division ...	48,500	†	†

†The Commissioner has reported the total expenditure (Rs. 1,10,238) but not the separate figures of expenditure from Government grants and local boards.

In the Bombay Suburban District 4 new wells were sunk during the year. In the Northern Division, the boards spent large amounts from their own funds, but some of the boards were not able to utilise fully the Government grants. The main reasons for this failure were the time taken in getting estimates prepared and approved and the fact that some of the water supply works for which the grants were sanctioned took more than a year to complete. It is reported that the Kaira District Local Board bored a well at Purushottampura and also made successful borings in 9 other wells. In Sind thirteen new wells were constructed, apart from 25 tube wells sunk in the Larkana District. In the Southern Division, except in Kanara and Ratnagiri, good progress was made.

14. *Works Committees, Standing Committees and Budget Committees.*—All boards have now appointed Standing Committees as required by section 36 (1) of the Bombay Local Boards Act, 1923. In the Central

Division 42 Local Boards have Works Committees and 14 have Budget Committees. The District Local Boards of Ahmednagar, Poona and Satara have Public Health Committees. The District Local Boards of Poona and Satara have appointed " Village Panchayat Committees ". The Poona District Local Board has also appointed an Accounts Committee and a Water Supply Committee. The Satara District Local Board has appointed (i) an Industrial School Committee, (ii) a District Agricultural Committee and (iii) a Law and Reference Committee, and the West Khandesh District Local Board, a Village Water Supply Committee.

In the Northern Division, several boards appointed Works Committees to inspect works in progress. The District Local Boards of Ahmedabad, Broach and Thana appointed special committees, viz., Road, Public Health and Village Panchayat and Budget Committees.

In Sind works committees have been appointed except in Larkana, Thar Parkar and Sukkur (apart from two talukas). In the Southern Division a works committee was appointed only in Kanara.

15. *Village Panchayats.*—In Sind and the Bombay Suburban District there are no village panchayats. In the Central Division, the number of village panchayats was 129 against 136 in the preceding year. The Pimpalgaon Panchayat in the East Khandesh district was abolished on account of gross mismanagement, and other panchayats were abolished because no candidates came forward for election, which meant that the villages concerned were determined that there should be no panchayats. A few village panchayats are reported to have done good work, but most were inefficient because of either party factions or unwillingness to raise sufficient funds. The case of misappropriation revealed in the office of the Chinchwad (District Poona) village panchayat last year resulted in the accused being sentenced to rigorous imprisonment for 6 months and a fine of Rs. 100. In the Northern Division, there were 55 village panchayats as against 57 in the preceding year. The village panchayats in the Broach and Thana Districts are reported to have worked satisfactorily, except that in the case of one village panchayat in the Thana District there is alleged to have been defalcation and the persons implicated are being prosecuted. The village panchayat at Degam in the Surat District could not function during the year, as the Patel resigned his post and no one else came forward to take his post owing to the Civil Disobedience Movement. In the Southern Division the number of village panchayats increased from 68 to 72.

On the whole working of these institutions is far from satisfactory on account of want of adequate resources, and the apathy or unwillingness of the people to tax themselves, and party factions.

16. *Audit of Accounts.*—In the Bombay Suburban District, notes on the audit and accounts of the Board for 1927-28 and 1928-29 were received during the year under report and revealed a generally satisfactory state of affairs.

It is gratifying to note that in the Central Division the audit notes for the year 1929-30 showed on the whole a decided improvement in the administration and the maintenance of accounts. No cases of really serious irregularity were noticed in this Division, the criticism of the auditors being mostly directed to the working of the Public Works section of the Boards. There is, however, much room for improvement in the prompt disposal of audit objections. Though Government have laid down that the Local Boards should dispose of the audit notes within three months of receipt, scarcely any board fulfilled this requirement. The following Taluka Local Boards in particular unduly delayed the disposal of their audit notes :—

Ahmednagar.—Shevgaon, Rahuri, Akola, Shrigonda and Newasa.
East Khandesh.—Bhusawal and Raver.
West Khandesh.—Nandurbar, Taloda, Nawapur and Sakri.
Poona.—Junnar, Khed and Indapur.
Satara.—Khatav, Koregaon and Satara.
Sholapur.—Barsi and Karmala.

Several cases of misappropriation of cattle pound receipts by the clerk of the Taluka Local Board, Haveli (Poona), and pound keepers were detected

during the year. The audit note of the Taluka Local Board, Purandhar, disclosed irregularities, maladministration and laxity of control. The audit note of the Taluka Local Board, Karmala, in the Sholapur District, disclosed apparent misuse of petty cash advances, false payments and suspicious record of measurements. The matter is receiving attention.

The accounts of the Local Boards in the Northern Division for the year 1929-30 were audited by the Local Audit Department. In addition to the common irregularities revealed by audit, e.g., (i) a rush of expenditure in March, (ii) carelessness in checking and recording measurements, (iii) want of completion certificates of works, (iv) payment of travelling allowances in excess of that admissible under the rules, (v) absence of, or deviations from, sanctioned estimates and budget provision of works under execution and (vi) slackness of supervision, the following serious irregularities were pointed out :—

(1) The work of the bundh at Utelia was done by a member of the Taluka Local Board, Dholka, in Ahmedabad District. The musters were prepared for Rs. 600. The overseer reported that the work done was worth only Rs. 103. The Chief Officer and the Supervisor of the District Local Board also agreed that the work done was not worth Rs. 600. A Committee of Enquiry was appointed by the Taluka Local Board and the member who had originally executed the work was also appointed on the Committee. The Committee recommended the payment of Rs. 300 for the work and this recommendation was accepted by the Board.

(2) Collections of Champaner cattle pound fines were misappropriated by the Police Patels.

(3) An overseer of the Kalyan Taluka Local Board is alleged to have recorded false measurements and committed serious irregularities. He is being prosecuted.

As regards Sind the following serious irregularities were pointed out by the auditors :—

(1) The Vice-President, Taluka Local Board, Ghotki, and member of the District Local Board, Sukkur, was paid Rs. 264-8-0 on account of travelling allowance during the year, though he was entitled to Rs. 200 only. The amount of Rs. 64-8-0 was recovered.

(2) Local Fund and Government grants were spent by the Taluka Local Board, Sukkur, for the construction of a well, which, it appeared, was being utilized by a zamindar who had paid one-third of the cost of the well on behalf of the Raj Mahajan of the village and had himself taken the contract to construct the well, for his own personal benefit in cultivation.

(3) An examination of the petty cash of the Taluka Local Board, Mirpur Sakro, on 25th October 1925, showed that there was a balance of Rs. 207-13-6, whereas Rs. 140-6-6 were actually in hand. The deficit of Rs. 67-7-0 was made good by the clerk, who was dismissed.

(4) The audit note of the Taluka Local Board, Matli, revealed a case of systematic fraud practised by an overseer, who regularly drew pay of a non-existent khalasi. The enquiry held by the Deputy Collector, Tando Division, disclosed that the Taluka Local Board munshi was also involved in the affair.

(5) In the Taluka Local Board, Kakar, two sets of muster rolls were fraudulently maintained.

The audit notes on the accounts of the Local Boards in the Southern Division generally evidence improvement and except for a few cases of wrong measurements and unauthorised deviations no serious irregularity was noticed. The audit note of the District Local Board, Dharwar, evidenced considerable improvement over the previous year.

General Remarks.

17. *Bombay Suburban District.*—The administration of the Bombay Suburban District Local Board continued to be progressive. The administration was not run on communal lines. The income of the Board showed an

increase over the preceding year's figure by 6·6 per cent., whilst the increase in expenditure was 2·8 per cent.

Central Division.—The administration of the District Local Boards was on the whole satisfactory in spite of the adverse influence of the Civil Disobedience Movement. It also unfortunately appears that in some cases, e.g., Ahmednagar and Nasik, the administration suffered from communalism, personal prejudices and private animosities. It is gratifying to note that the Boards in the Central Division are doing their best to provide equal facilities for depressed classes in the use of public schools, wells, and dharamshalas.

Northern Division.—The work of all the Boards was generally satisfactory. Some Boards showed sympathy with the Civil Disobedience Movement and went to the length of passing resolutions congratulating police patels and inferior village servants who resigned in sympathy with the movement and exhorting others to follow suit. The working of the Taluka Local Board, Bardoli, came to a standstill owing to the resignations of the President, Vice-President and several members, under the influence of the movement. There were individual resignations of members in other boards. No cases of communalism or of serious mismanagement in the administration of the boards in Northern Division were reported.

It is reported that equal facilities are being provided in the Northern Division for the depressed classes in the use of public schools, dharamshalas and wells, etc., but that since the boards are not yet able to make any radical change in the long established sentiments of the people in rural areas they are providing special facilities where necessary, e.g., separate wells and separate accommodation in dharamshalas.

Sind.—The administration of the Local Boards in Sind was fairly satisfactory although marred in some cases by party or communal factions. It is reported that certain boards have stopped paltry grants to useful institutions, whilst making lavish contributions to certain less deserving institutions in which individual members are interested. The condition of roads in Sind is unsatisfactory. For the improvement of roads and for providing other amenities of the districts, it is imperative that the boards should tap all available sources to expand their revenues, particularly when it is not possible for Government to give larger grants owing to the acute financial stringency.

Criminal prosecutions were instituted against the President and some subordinates of the Taluka Local Board, Tando Allahyar, in the Hyderabad District, for misappropriation of Taluka Local Board money. In one case the munshi concerned was convicted. The other two cases are still undecided. Criminal proceedings were also taken against the President, Taluka Local Board, Mithi, in the Thar Parkar District, on the ground that he presented a false travelling allowance bill and misappropriated some Local Board property.

Southern Division.—The year's administration showed improvement. There were no cases of mismanagement or gross neglect and the results of audit were generally satisfactory, save for a few minor defects in the Public Works Department section of the Ratnagiri Board. It is gratifying to note that the boards are making efforts to tap fresh sources of revenue for maintaining works in being, and to finance the extension of activity particularly in village sanitation, medical relief and primary education.

18. *General Review.*—Government have prescribed the following dates for submission of reports with a view to the publication of their review in good time :—

Each District Local Board to the Collector—1st July.

Each Collector to the Commissioner—1st August.

Each Commissioner to Government—1st October.

The object of Government has, as usual, been frustrated by the dilatoriness of certain boards and the Commissioners should be asked to bring the fact home to the boards concerned.

This report covers the period when the Civil Disobedience Movement was at its height. The movement affected the working of the boards in the Northern Division seriously, and in the C. D., and S. D., to a considerable extent. The Sind Boards were not appreciably affected. On the whole the boards came through the ordeal well.

The revenues of the boards were also adversely affected by the movement, especially receipts from local fund cess and cattle pounds.

It is, however, very gratifying that several of the serious defects noticed in previous reviews have been remedied and that there is an appreciable improvement in the administration, especially in regard to the maintenance of accounts and the execution of public works. The great need is the exercise of stricter supervision by the executive and the elimination of communal bias and personal animosity from the boards themselves.

19. Government note with satisfaction the testimony given by the Commissioners and Collectors to the excellent work done by many Local Board Presidents, members and officers.

20. Copies of the Resolution should be submitted to the Secretary of State for India and the Government of India and should be forwarded to all the Commissioners, Collectors, Director of Public Instruction and other officers and Departments concerned.

* In last year account closing balance was shown Rs. 86,095 the difference of Rs. 500 is due to mistake of Taluka Local Board, Ghotki, as they erroneously did not show Rs. 500 being grant of Village Water Supply, hence the increase.

† Reduced by Rs. 7 (Seven only) as the same amount was accounted for twice in the accounts of Taluka Local Board, Sanghar.

‡ The difference of Rs. 7,068 between this and the closing balance shown in Statement No. III for 1929-30 is explained below :—

		Rs.
1.	Closing balance as per Statement No. III for 1929-30	68,449

* Includes Rs. 4,192 on account of Octroi and Rs. 21,821 paid to the P. E. Fund being the share of the L. F. Cess.

† In last year account closing balance was shown Rs. 86,095, the difference was Rs. 500, is due to mistake of T. L. B., Ghotki, as they erroneously did not show Rs. 500 being grant of Village Water Supply hence the increase.

‡ Reduced by Rs. 7 (seven only) as the same amount was accounted for twice in the accouts of Taluka Local Board, Sanghar.

§ The difference between this and the closing balance shown for 1929-30 is explained below—

		Rs.	Rs.
Closing balance shown for 1929-30 is ...			68,449

* In the last year Taluka Local Board had shown opening balance Rs. 43 and erroneously did not show Rs. 500 being grant for the village water supply hence the increase.

† Balance of Rs. 40 has been decreased as the Deposits of Contractors are not to be shown in the statement.

‡ Balance has been decreased by Rs. 7 as the credit for the same amount was taken twice by mistake by Taluka Local Board, Sanghar.
